

The Blue School

12 June 2020

On behalf of the volunteers and trustees I would like to say thank you for your generous and regular donations of fresh food to FoodBox from the Blue School Kitchen. They really are appreciated, especially at this extraordinary time.

We have seen a substantial increase in referrals for food parcels during the pandemic. That we have been able to fulfil these referrals is due to the response of our community which has been truly heartwarming.

Without your support, and that of like-minded members of our community, we would not be able to offer support to so many who through an unfortunate set of circumstances find it impossible to provide for themselves and their close family.

Yours sincerely
