

## BLUE SCHOOL PARENTS ASSOCIATION – NEW TEAM

Dear Parents and Carers

As you may have read in a recent newsletter, the previous Blue School Parents Association (PA) committee have stepped down after many years and immense fundraising.

We, as the new PA committee, wanted to take this opportunity to introduce ourselves, talk about the PA and future plans – and encourage any feedback and collaboration.

The Blue School Parents Association is an independent charity that through a variety of activities raises money for the enrichment of our children's lives at the Blue School. When your child joins the school you, as carers and parents, automatically become members of the PA and have the opportunity to help decide how funds are raised and spent.

We understand, as parents ourselves, that these unpredictable times are going to be challenging – and we hope to pull us all together to add value to children within the school and build community without overwhelming. Our initial, simple goal is to cement relationships between parents and carers, the school and the PA.

We are looking forward to taking the PA into a new phase and hope with your support that we can continue to add to the foundations that the previous teams have built.

With this in mind, we ask you please to complete the survey attached with your family so that we can understand where monies raised could best be spent, and what events you may like to see and would be happy to support. We will also share this with reps on Whatsapp.

These ideas will then be put before the school senior leadership team and the school council (pupils in school across the years) who will both then filter these down to a preferred wish list.

We thank Ms Jones, Mr Hammer and all the staff at the Blue School - as well as parents and carers - as they have all shown us amazing support so far. We look forward to representing you, meeting you, and getting some events in the diary!
