

Pupil Premium Strategy Statement: 2022 - 2023

This statement details The Blue School's use of pupil premium funding (and recovery premium funding for the 2021 to 2022 academic year) to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year 2022-23 and the effect that last year's spending of pupil premium had within The Blue School.

School overview

Detail	Data
School name	The Blue School CofE Primary
Number of pupils in school	469
Proportion (%) of pupil premium eligible pupils	9% = 27 children
Academic year/years that our current pupil premium strategy plan covers.	2022 - 2023
Date this statement was published	December 2022
Date on which it will be reviewed	December 2023
Statement authorised by	Christian Matheron
Pupil premium lead	Kella Callender
Governor lead	Heidi Swidenbank / Linz Nolan Curriculum Committee

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£ 42,954
Recovery premium funding allocation this academic year	£ 2,120.26
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£ 0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£ 0

Part A: Pupil premium strategy plan

Statement of intent

At The Blue School, our intention is that all pupils, irrespective of background or challenging circumstances, make good progress and achieve academically and socially. Our pupil premium strategy provides us with a focus on children who need extra support to flourish and attain the educational outcomes they are capable of. It supports our commitment to disadvantaged pupils, ensuring that their aspirations are comparable to those of their peers. Our school is a safe and happy place. We have high expectations of every child and encourage each individual, whether disadvantaged or not, to excel.

Our pupil premium strategy sits within our School Improvement Plan. We know that the most significant way we can help any child (disadvantaged or not) is through Quality First Teaching. This means creating an inclusive classroom environment with outstanding teaching every day. Our goal is to close the attainment gap for disadvantaged pupils who are performing below their peers, at the same time as setting ambitious targets for those who are more able.

26% of our pupils in receipt of pupil premium have identified special educational needs. All of our pupils benefit from high quality teaching, and in all cases we strive to ensure that they make excellent progress. Our strategy provides for this with further additional interventions through one to one and small group teaching. We will also be accessing the National Tutoring Programme during the next academic year.

Nationally there is still a significant attainment gap between disadvantaged children and their peers, and this gap tends to widen as children grow older. The Covid pandemic has impacted all pupils at The Blue School. To mitigate these gaps we rigorously track each child, carefully considering what she or he needs in order to succeed. Our approach is rooted in robust diagnostic assessment of the need, followed by tailored interventions, with pupil progress being reviewed on a termly basis.

Our aims: The targeted and strategic use of pupil premium will support us in enabling every pupil to reach their full potential by

- Assuring the best possible learning experiences in the classroom.
- Having targeted interventions designed to support those who have fallen behind and those with a specific need.
- Offering a rich and varied experience for children who are in receipt to PP.
- adopt a whole school approach, with all staff taking responsibility for the academic and social development of disadvantaged pupils in its care.

The activities outlined in this report are also intended to support our vulnerable children, whether they are disadvantaged or not.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Attendance: Attendance of pupil premium children over the last 3 years broadly follows the whole school trend. There are 6 pupil premium children for whom attendance has been consistently low (at or below 90%) during this period.
2	SEND: 8 (30%) of pupil premium children are identified as having SEN. This is compared to 10% of the whole school (17% with those being monitored). 3 pupils who qualify for pupil premium funding have specific SEN needs and are not making expected progress, despite multiple interventions.
3	EAL: 9 (33%) of pupil premium children have EAL.
4	Catch-up / Keep-up programme: Levels of engagement in remote/on school education varied during the pandemic. As a result there are 5 pupils in receipt of pupil premium not making expected progress despite interventions.
5	Enrichment: Our observations and discussions with pupils and families identified that disadvantaged pupils faced a lack of enrichment opportunities due to school closures.
6	Vulnerable Children: Pupils' emotional well-being, social and behavioural needs affecting children being in a position to able to make progress and their readiness to learn
7	Engagement with parents: There are a small number of parents of pupil premium children that have limited engagement with the school, and with the academic, social and emotional development of their children.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Attendance: To continue to ensure the attendance of pupils in receipt of pupil premium is in line with those of their peers, reducing the proportion classed as persistent absentees.	Sustained high attendance from 2022/23 demonstrated by: <ul style="list-style-type: none"> the overall absence rate for all pupils being no more than 4%
Progress / Catch up: To continue to ensure the outcomes for pupils in receipt of pupil premium are at least in line with those of peers in school across the	Increase the progress for a key group of pupils in receipt of pupil premium in reading, writing and maths in line with their identified baseline

<p>curriculum, ensuring high quality teaching alongside targeted interventions.</p>	<p>PP pupils who were below expected standards at end of Sum2022, 100% to make accelerated progress to close the gap.</p> <p>Ensuring children make expected progress from their starting points - 6 points of progress by the end of the year.</p>
<p>SEND: To ensure all pupils in receipt of pupil premium, including those with SEND, make expected progress from their starting points.</p>	<p>Increase the progress for SEN pupils in receipt of pupil premium in reading, writing and maths in line with their identified baseline.</p> <p>Ensuring children make expected progress from their starting points - 6 points of progress by the end of the year, dependent on their SEND status.</p> <p>Ensure that class based interventions for PP children are on-going through the academic year 2022-2023.</p>
<p>EAL: To achieve SIP priority that pupils with EAL achieve exceptionally well.</p>	<p>EAL leaders identified and trained will CPD run for staff.</p> <p>EAL chn resources that enable them to access the curriculum.</p>
<p>Catch Up / Keep Up Programme:</p>	<p>Assessment of need with weekly interventions.</p> <p>PP children make expected progress.</p>
<p>Enrichment: All pupil premium children taking part in at least one club / extracurricular activity.</p>	<p>Continue to offer lunchtime clubs to give children the greatest flexibility possible to attend clubs.</p> <p>Some PP children are not taking up the opportunity for extracurricular clubs/ music lessons. PP lead to encourage parents to take up this opportunity.</p>
<p>Vulnerable Children: To ensure the well-being needs of all pupils in receipt of pupil premium funding are met to ensure they are ready for learning. 5 (19%) pupil premium children are vulnerable.</p>	<p>Children's well-being needs are met and supported to ensure they are attending school regularly and able to access high quality teaching and targeted interventions. Members of the inclusion team to support the social and emotional needs.</p>
<p>Engagement with parents: To improve the engagement of some parents of pupil premium children in children's academic progress and uptake of extracurricular activities provided by the school. This to be achieved through termly communication from PP Lead and ongoing class teacher input.</p>	<p>Improved response rate to PP parental questionnaire, letters.</p> <p>Attendance by PP parents at parental workshops.</p> <p>All pupil premium children taking part in at least one club / extracurricular activity.</p>

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching

Budgeted cost: £12,614

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Particular focus on small group children in receipt of pupil premium funding not making progress in reading. Implement new guided reading approach in KS2. Training given by KK in English insets.</p> <p>Read Write Inc training for EYF staff.</p> <p>Ensure all class teachers are delivering their daily guided reading groups.</p>	<p>From the Forward of DfE The Reading Framework 2022.</p> <p><i>Reading can lessen or even eliminate the impact of early life disadvantage. Children do not just ‘become’ readers, however, and reading engagement is not possible if children struggle with the basic mechanics of reading. Fluency and enjoyment are the result of careful teaching and frequent practice. Ensuring children become fluent and engaged readers at the very earliest stages also helps avoid the vicious circle of reading difficulty and demotivation that makes later intervention more challenging.</i></p> <p>OECD (2002). ‘Reading for change. Performance and engagement across countries. <p>intervention. Closely monitored by AHT and PP Lead</p> <p>Pupil progress meetings termly.</p> <p>Regular monitoring of targeted interventions.</p>	<p>‘These interventions should be targeted at specific pupils using information gathered from assessments and their effectiveness and intensity should be continually monitored. Some pupils may have made quick gains once they returned to school full time, so assessment needs to ongoing, but manageable.’</p>	
<p>Purchased Nessy for use by 10 pupils, 6 of whom are disadvantaged.</p>	<p>Evidence of positive impact on this programme for pupils identified as having or displaying dyslexic tendencies. eg Parliamentary Publications</p> <p>Supports EEF report Using Technology to Improve Learning.</p>	2

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £5,724.48

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>JA Sports Team Work sessions.</p>	<p>There is extensive evidence associating childhood social and emotional skills with improved outcomes at school and in later life (e.g., improved academic performance, attitudes, Particular focus on small group</p> <p>children in receipt of pupil premium</p> <p>funding not making progress in reading</p> <p>Re-evaluate shared /guided reading approach in KS2</p> <p>behaviour and relationships with peers):</p> <p>EEF Social and Emotional Learning.pdf(educationendowmentfoundation.org.uk)</p>	3,5

<p>Tailor school communications to encourage positive dialogue about learning.</p> <p>Run Parent Workshops.</p>	<p>Working with Parents to Support Children's Learning</p> <p>Parents play a crucial role in supporting their children's learning, and levels of parental engagement are consistently associated with better academic outcomes.</p>	7
<p>Providing children with opportunities to participate in trips, workshops and extra curricular clubs</p>		5

Total budgeted cost: £20,658.74

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year. The current data for 2021-2022 will be updated to this document in September.

Year Group	Measure	Score
Year 1	Reading	<p>4 out of 5 children working at expected or at greater in reading by the end of July 2022 (80%)</p> <p>1 out of 5 PP children (1 SEND child) working towards the expected standard in reading by the end of July 2022. (20%)</p>
	Writing	<p>3 out of 5 children working at expected or at greater in writing by the end of July 2022 (60%)</p> <p>2 out of 5 PP children (1 SEND child) working towards the expected standard in writing by the end of July 2022. (40%)</p>
	Maths	<p>4 out of 5 children working at expected or at greater in maths by the end of July 2022 (80%)</p> <p>1 out of 5 PP children (1 SEND child) working towards the expected standard in maths by the end of July 2022. (20%)</p>

Year 2	Reading	4 out of 4 children working at expected or at greater in reading by the end of July 2022 (100%) (1 SEND child)
	Writing	4 out of 4 children working at expected or at greater in writing by the end of July 2022 (100%) (1 SEND child))
	Maths	4 out of 4 children working at expected or at greater in maths by the end of July 2022 (100%) (1 SEND child)

Year 3	Reading	1 out of 2 children working at expected or at greater in reading by the end of July 2022 (50%) 1 out of 2 PP children (1 SEND child) working towards the expected standard in reading by the end of July 2022. (50%)
	Writing	1 out of 2 children working at expected or at greater in writing by the end of July 2022 (50%) 1 out of 2 PP children (1 SEND child) working towards the expected standard in writing by the end of July 2022. (50%)
	Maths	1 out of 2 children working at expected or at greater in maths by the end of July 2022 (50%) 1 out of 2 PP children (1 SEND child) working towards the expected standard in maths by the end of July 2022. (50%)

Year 4	Reading	4 out of 6 PP children working at expected or at greater in reading by the end of July 2022 (67%) 2 out of 6 PP children (1 SEND child) working towards the expected standard in reading by the end of July 2022. (33%)
	Writing	3 out of 6 PP children (1 SEND child) children working at expected or at greater in writing by the end of July 2022 (50%)

		3 out of 6 PP children (1 SEND child) working towards the expected standard in writing by the end of July 2022. (50%)
	Maths	4 out of 6 PP children working at expected or at greater in maths by the end of July 2022 (67%) 2 out of 6 PP children (1 SEND child) working towards the expected standard in maths by the end of July 2022. (33%)

Year 5	Reading	7 out of 8 PP children working at expected or at greater in reading by the end of July 2022 (83%) 1 out of 8 PP children (1 SEND child) working towards the expected standard in reading by the end of July 2022. (17%)
	Writing	6 out of 8 PP children working at expected or at greater in writing by the end of July 2022 (75%) 2 out of 8 PP children (1 SEND child) working towards the expected standard in writing by the end of July 2022. (25%)
	Maths	4 out of 8 PP children working at expected or at greater in maths by the end of July 2022 (50%) 4 out of 8 PP children (1 SEND child) working towards the expected standard in maths by the end of July 2022. (50%)

Year 6	Reading	2 out of 2 PP children working at expected or at greater in reading by the end of July 2022 (100%)
	Writing	1 out of 2 PP children working at expected or at greater in writing by the end of July 2022 (50%) 1 out of 2 PP children (1 SEND child) working towards the expected standard in writing by the end of July 2022. (50%)

	Maths	2 out of 2 PP children (1 SEND child) working towards the expected standard in maths by the end of July 2022. (100%)
--	--------------	--

Part B: Review of the previous academic year 2021- 2022

Outcomes for disadvantaged pupils

<p>Training staff in Maths Mastery, Read Write Inc training for EYF staff and other interventions to identify and support maths and reading needs resulted in many more children being identified with needs and catered for. The maths and English skills gained are enabled children to make progress across the curriculum.</p> <p>Training and provision of emotional /mental health support in school through a staff inset support meant the children who needed support, got it. As a result, many content, confident children made greater progress in their learning.</p> <p>Subscription to online resources and programmes and the purchase of technical equipment to facilitate the use of new and innovative teaching strategies to engage children raised attainment in reading and Maths.</p> <p>Children were supported in participating in activities outside of the school day which built their self-esteem and connections in the community.</p>
