Note 1 - Faith School Admissions Variation Arrangements

The Governing Body of The Blue School has agreed the following statement in order to clarify how its faith-based oversubscription criteria will be interpreted whilst churches are/were closed or attendance at church is/was unsafe due to COVID-19. This statement has been shared with churches in order to ensure that determinations made by relevant ministers concerning church attendance are being made on a consistent basis.

If a parent/carer attended a given church prior to the closing of churches for public worship, then where a parent/carer has not subsequently attended worship at a given church for a given period, a parent/carer will be considered to have attended worship at that church for that period where either of the following apply:

1. The church was closed for public worship
2. By returning to church, the parent/carer would not be taking account of government guidance concerning shielding and protecting persons either moderately or extremely clinically vulnerable to COVID-19.

Thank you for your assistance.
