

## School Uniform

At The Blue School, we are proud of our uniform and we consider it of great importance.

A uniform means that children can be identified with the school easily and can be seen to be members of the school. Importance is attached to a smart appearance and children in the Infant and Junior Departments are expected to wear the full school uniform.

**Parents of children in the Nursery class may dress their children as desired but wearing of school uniform is not discouraged especially when they are preparing to transfer to the main school.**

Please ensure that all items of uniform and clothing are clearly named.
