

November 2024.

11+ preparation and KS2 learning support.

Dear Parents and Carers,

We are pleased to inform you about **Atom Home**, an online tutoring tool from [Atom Learning](#), a leading 11+ preparation and Key Stage 2 learning platform.

While Years 5 and 6 at The Blue School currently use the Atom School platform for homework, the resources available to support your child's homework are dependent on the activities set by the class teacher.

[Atom Home](#) will provide your child with greater coverage for exam preparation, particularly the 11+ exams. Resources cover English, maths, verbal reasoning and non-verbal reasoning. Children have the opportunity to practise 11+ questions; explore learning resources; complete mock tests; watch video tutorials and read through other exam preparation materials.

Should you wish to investigate this resource, a free 5 day trial of **Atom Home** is available to you. Use the link below to find out more about the free trial and the tiered approach to the subscriptions.

[Atom Home Subscriptions](#)

Pupils in receipt of **Pupil Premium**, will be able to access **Atom Home** for free.

If you are currently in receipt of Pupil Premium at The Blue School, please use the following link to register your interest in obtaining access to **Atom Home**:

[Atom Home for pupils in receipt of Pupil Premium funding.](#)

Should you have any questions about Atom Home, please do not hesitate to contact me or Atom Learning directly.

Kind regards,
Cath Davies
Year 6 Teacher
Pupil Premium Lead
